

AUTHORIZED BODY No. 224
Institute for Testing and Certification, Inc., T. Bati 299, 764 21 Zlín, Czech Republic
Authorization granted by the Decision No. 30/2006 dated 30th August 2006

PRODUCT CERTIFICATE

No. 06 0397 V/AO/b

In compliance with the provision of Section 5, Subsection 2 of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, Collection of Laws, which lays down technical requirements for selected building products, the Authorized Body No. 224 confirms that for the construction product

INSTAPLAST system – a system of pipes, fittings, ball cocks and valves for potable water supply, hot service water and hot-water central heating made from PP-R (BOREALIS RA 130 E, Innopol CS 4-8000, VESTOLEN P 9421), d 16 mm – d 110 mm

placed on the market by the manufacturer

PIPELIFE Czech s. r. o.
Kučovaniny 1778, 765 02 Otrokovice, Czech Republic
having company's registration number: CZ60709391

from production site

PIPELIFE Czech s. r. o.
Závod Zápy, Zápy 151, 250 01 Brandýs nad Labem, Czech Republic

it has reviewed the documents submitted by the applicant, carried out the initial type testing on a sample and assessed the factory production control.

The Authorized Body No. 224 ascertained conformity of the product properties with essential requirements of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, Collection of Laws, which are specified by the

Building Technical Certificate No. STO – AO 224 – 2212/2006/b.

Further, it ascertained that the factory production control system ensures that the products placed on the market fulfilled the requirements laid down by the Building Technical Certificate and met the technical documentation pursuant to Section 4, Subsection 3.

An integral part of the present Certificate is the Annual Inspection Report No. **343502258/2010** dated 26th April 2010 containing conclusions of ascertainment verification performed and the test results obtained.

At least once in 12 months, the Authorized Body exercises a supervision of a proper operation of the factory production control system pursuant to provision of Section 5, Subsection 4, and conducts product tests. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.

Issued in Zlín on **11th August 2006**
Revision b.): **26th April 2010**

(Replaces the withdrawn certificate 06 0397 V/AO/a issued on August 21st 2009)
